Operating Budget

The Baseline includes \$1,276,300 and 11 FTE Positions in FY 2023 for the operating budget. These amounts consist of:

| | FY 2023 |
|---|----------------|
| CJEF | \$658,800 |
| Drug and Gang Prevention Resource Center Fund | 617,500 |

These amounts are unchanged from FY 2022.

Coordinated Reentry Planning Database

The Baseline includes no funding from the General Fund in FY 2023 for the Coordinated Reentry Planning Database. FY 2023 adjustments are as follows:

Remove One-Time Database Funding

The Baseline includes a decrease of \$(1,000,000) from the General Fund in FY 2023 to remove one-time funding for the development of a cross-system recidivism tracking database.

This line item provides funding for ACJC to develop a recidivism tracking database that incorporates data collected by counties that receive money for these purposes. (*Please see the County Funding – Coordinated Reentry Planning Services Section for more information.*)

State Aid to County Attorneys

The Baseline includes \$973,700 from the State Aid to County Attorneys Fund in FY 2023 for State Aid to County Attorneys. This amount is unchanged from FY 2022.

This line item provides funding for the various offices of county attorneys throughout Arizona to improve the processing of criminal cases. The line item receives funds from a 15.44% allocation of a 7% penalty assessment on fines, penalties, and forfeitures imposed by the courts for criminal and civil motor vehicle violations and a portion of the monies collected by the Supreme Court and Court of Appeals. ACJC is required to distribute the monies to each county based on a composite index formula using Superior Court felony filings and county population.

State Aid to Indigent Defense

The Baseline includes \$700,000 from the State Aid to Indigent Defense Fund in FY 2023 for State Aid to Indigent Defense. This amount is unchanged from FY 2022.

This line item provides funding to the various counties in Arizona for processing of criminal cases by the offices of the public defender, legal defender, and/or contract indigent defense counsel in each county.

The line item receives funding from a 14.66% allocation of a 7% penalty assessment on fines, penalties, and forfeitures imposed by the courts for criminal and civil motor vehicle violations and a portion of the monies collected by the Supreme Court and Court of Appeals. ACJC is required to distribute the monies to each county based on a composite index formula using Superior Court felony filings and county population.

Victim Compensation and Assistance

The Baseline includes \$4,224,600 from the Victim Compensation and Assistance Fund in FY 2023 for Victim Compensation and Assistance. This amount is unchanged from FY 2022.

This line item provides funding for 2 crime victim grant programs: the Victim Compensation Program and the Victim Assistance Program. Victim compensation monies are distributed to county compensation boards that award cash compensation to crime victims for specified expenses resulting from their victimization. Revenues for victim compensation grant monies come from 3 sources: a \$9 penalty on criminal and civil violations, monies collected from a 10% assessment of a worker's gross compensation, and unclaimed victim restitution. Victim assistance monies are granted to local government and not-for-profit agencies on a competitive basis and are used for operating expenses related to their victim assistance programs. Revenues for victim assistance grants come from community supervision fees and interstate compact fees.

Other Issues

COVID-Related Spending

ACJC will receive an allocation through the American Rescue Plan Act passed in March 2021. ACJC is expected

to receive \$1,200,000 in FY 2022 to fund programmatic expenses that the Victim Compensation and Assistance Program is eligible to pay out, including victims' medical or dental needs, mental health counseling, funeral and burial costs, lost wages or loss of support, and crime scene clean-up.

Criminal Justice Enhancement Fund

The Criminal Justice Enhancement Fund receives revenues from penalties on fines, violations, forfeitures and penalties imposed by the courts for criminal offenses and civil motor vehicle statute violations. Laws 2018, Chapter 237 reduced the CJEF surcharge from 47.0% to 42.0% in A.R.S. § 41-2401 and removed the Victims' Rights Fund and Victim Compensation and Assistance Fund as recipients of the surcharge. Instead, these 2 funds receive revenues from a new \$9 penalty on criminal and civil violations.

CJEF monies are distributed on a percentage basis to various state entities. *Table 1* shows the FY 2021 amounts transferred, the current distribution percentages, and the appropriation status of the funds and programs receiving CJEF monies. (*See individual agency pages for detailed information on each recipient.*)
