Other Issues

University Collections and FTE Positions Adjustments

Including statewide adjustments, the FY 2024 General Appropriation Act appropriated \$66,675,300 from the University Collections Fund to UA - HSC. The Collections Fund for UA - HSC represents a portion of tuition, fees and a portion of land earnings. (*Please see ABOR Other Issues for more information.*) If collections differ from the

appropriated amount, the annual General Appropriation Act includes a footnote permitting the universities to expend those amounts as well as a separate footnote requiring the submission of a report detailing any adjustments to the appropriated amounts.

ABOR sets tuition independent of the legislative process. Any revised tuition rates as well as changes in enrollment can result in collections exceeding (or being below) the appropriated amount. The Universities reported the adjustments to the University Collections Fund for FY 2024 to the Joint Legislative Budget Committee in June 2023, and UA incorporated the adjusted FY 2024 amounts as part of their FY 2025 budget submission. Accordingly, the estimated FY 2024 amount has been adjusted by 2,871,200 to \$69,546,500.

The FY 2024 FTE Position count has also been adjusted. The FY 2024 General Appropriations Act originally appropriated 1,112.4 FTE Positions in FY 2024 for the UA - HSC. The General Fund accounted for 561.0 FTE Positions and the University Collections Fund accounted for the remaining 551.4 FTE Positions. The estimated number of FY 2024 FTE Positions has been adjusted by 42.5 to 1,154.9. The General Fund accounts for 570.5 FTE Positions and the University Collections Fund accounts for the remaining 584.4 FTE Positions.
