Other Issues

Court Surcharges and Assessments

A.R.S. § 41-1273 requires the JLBC Staff to submit a report to the Committee on or before December 1, 2019 and once every 7 years thereafter detailing all statutory surcharges and assessments imposed on criminal and civil fines, penalties, forfeitures, traffic violations and local ordinances. Statute requires that the report include the current amount of each surcharge and assessment authorized by statute, the amounts collected, and the purposes for which these monies were used.

According to the most recent JLBC Staff report published in August 2019, statute imposed surcharges totaling 78.0% and assessments totaling \$44.00 per fine. Additional specific statutory surcharges and assessments are not included in the report, for example, statute imposes a \$250 assessment on DUI charges.

The August 2019 report included FY 2018 collection data from the courts totaling \$75.8 million. The largest surcharge collected the Criminal Justice Enhancement Fund (CJEF) Surcharge which accounted for \$33.7 million in FY 2018, making up 44.4% of the total. CJEF collections fund a variety of programs in state and local law enforcement. The largest assessment imposed by the courts is the Probation Assessment. The Probation Assessment is \$20 on each fine or penalty and accounted for \$9.7 million in collections in FY 2018, or 12.8% of total collections. Revenue from the Probation Assessment is deposited into the Judicial Collections Enhancement Fund (JECF) to support county probation departments.
