January 14, 2025

The Starting Point for FY 26 Budget Discussions

- The details on the JLBC Baseline will be released on Friday, January 17th.
 - Includes updated revenue forecast as well as statutory spending projections.
 - The Baseline is also consistent with the guidance in the FY 25 budget's 3-year spending plan.
- The Executive budget details will also be released on the 17th.
- The Chairman asked that we provide a perspective on several issues prior to the release of the JLBC Baseline and the Executive budget.

Presentation Topics

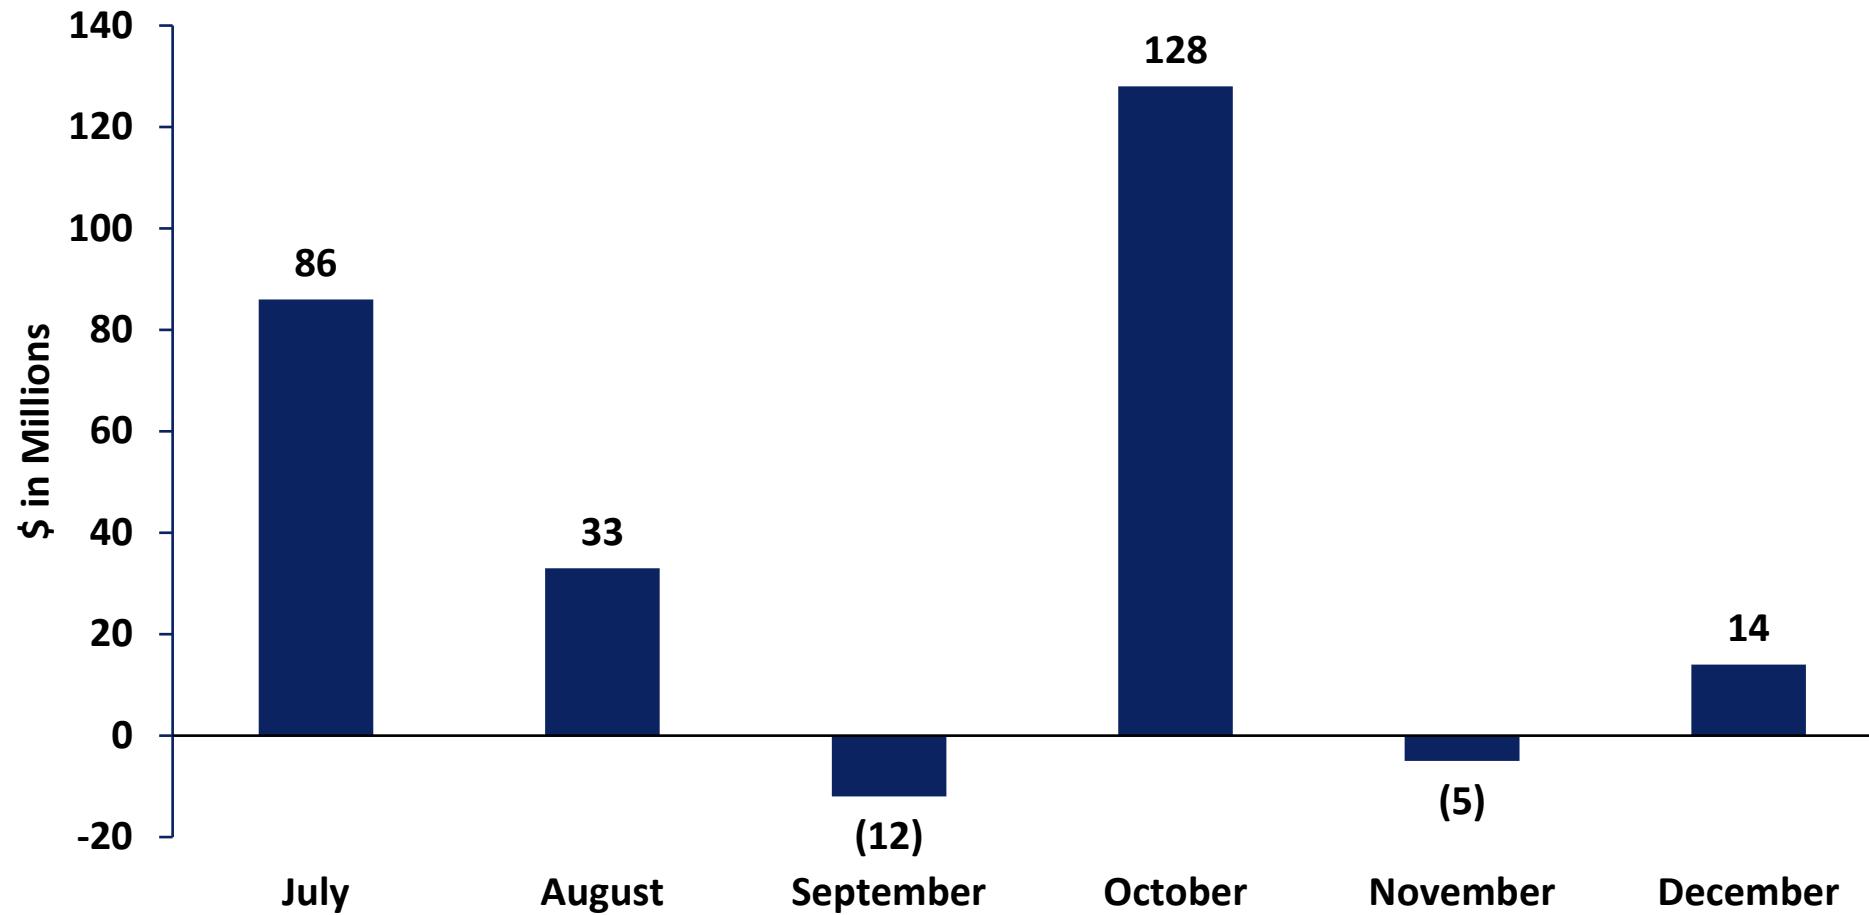

- Status of Year-to-Date Revenues
- Available Resources for the FY 26 Budget
- Other Potential FY 26 Budget Considerations
- One-time Funding in the FY 2025 Budget

Since Sine Die – FY 24 Revenues Were \$425 M Above Forecast

- 1st Half of FY 25 – 6.3% Growth and \$244 M Above Enacted Budget Forecast

- Of the \$425 M FY 24 forecast gain, \$259 M (60%) was generated from non-tax revenues.
 - Primary contributor was a one-time \$145 M gain in Medicaid “reconciliation payments” for operating the program at levels below the capitation rates.
- Of the \$244 M 1st half gain:
 - \$126 M from Individual Income Tax, including a 7.4% withholding increase.
 - \$97 M from 11.2% Corporate Income Tax growth.
 - \$(4) M from lower-than-expected 3.4% Sales Tax growth.

Monthly Revenue Forecast Gain/Loss Compared to Enacted Budget

Potential Level of Available Resources

- Based on our January estimates, we anticipate that the Baseline FY 26 General Fund balance will be \$935 M.
- We suggest setting aside at least \$50 M of that amount for an ending balance.
- The \$935 M excludes two traditional “ongoing one-time” funding items
 - \$183 M for School Facilities repairs (AKA building renewal)
 - \$140 M for the additional subsidy of the State Employee Health Insurance Trust Fund (beyond the regular employer contribution).
- If we adjust for these 2 factors, available resources are near \$560 M.

Further Comments on Available Resources

- There are multiple options for allocating the \$560 M in FY 26 such as:
 - All \$560 M for one-time initiatives
 - \$125 M for ongoing and \$435 M for one-time initiatives
- Depending on the desired level of risk, “allocating resources” can also mean leaving more than \$50 M in the ending balance.
- The available resources exclude the \$1.6 B in the state’s Budget Stabilization Fund (AKA the Rainy Day Fund).

Other Potential FY 26 Budget Considerations

- Litigation Requirements
 - Funding of School Capital Issues
 - Prison Health Care
- Federal Budget Changes
- New Legislature/New Issues/Executive Proposals
- Interest in Continuation of One-time FY 25 Funding Issues
